ABOUT US

Fatin Relieve Company Limited is a premier quality commercial kitchen equipment supplier headquartered in Dhaka, Bangladesh. Established with a commitment to excellence, we specialize in providing top-of-the-line kitchen solutions to meet the diverse needs of businesses across Bangladesh.

As an authorized distributor for many international manufacturer's products in Bangladesh, Fatin Relieve Company Limited is entrusted with delivering unparalleled quality and service to our valued customers. We offer a comprehensive range of original brand products, coupled with expert installation services and reliable after-sales support. In addition to our partnership with international brands, we are also proud to be an authorized distributor for BERJAYA, UNOX, WINCOOL, FWE and many more renowned global kitchen equipment companies. This enables us to offer a wide array of high-quality kitchen solutions to cater to the specific requirements of our clients. We understand the importance of reliable, efficient kitchen equipment in the success of your business, and we are committed to providing solutions that exceed your expectations. With a reputation built on trust, integrity, and quality, Fatin Relieve Company Limited is your trusted partner for all your commercial kitchen equipment needs in Bangladesh.

WELCOME MESSAGE

We started our journey with a mission to build a safe working place and manufacture quality products, keeping in mind the changes in tastes and needs of modern lifestyles. Our vision is to play a pivotal role to resolve the problems there by improving the quality of life of the people of Bangladesh through introducing innovative entrepreneurial approaches and ultimately become the market leader. We take this opportunity to thank our acclaimed customers, whose continued patronage and confidence in our products inspired us to extend the best of services and enabled us to provide value for their investment. We are committed to total customer satisfaction by identifying their specific needs, translating them into quality products and providing dependable after-sales-services. We plan to achieve this goal through our strength, the employees and seek their continuous involvement in achieving the company's objectives.

Since 2015, we have established a strong track record for product and service excellence. We deliver quality products and highly integrated solutions that provide the best return on investment for our customers. We focus on doing things right the first time, every time, and exceeding customers' expectations. Our growth also owes itself to our efforts to build collaborative, trusting and mutually beneficial relationships with our customers.

I do hope that the great fortitude, sacrifice, and innovative thinking of every FRCL staff will ensure our prosperity and success indeed.
